Experience ultimate value.

The i3TOUCH E-ONE delivers durability, and an all-in-one integrated experience for an incredible value. With high-precision IR technology and zero air gap, the E-ONE gives you an excellent multi-touch experience. Running on Android 11 and preloaded with all the interactive essentials you need – whiteboard, annotate, present, browsing and video conferencing – the i3TOUCH E-ONE is a powerful asset for your classroom or office. Using i3RDM (Remote Display Management) you can work with ease and manage the i3TOUCH E-ONE remotely.

Have a hybrid meeting or lesson? Add a camera to your setup: one of your choosing from our integration partners, or an i3CAMERA to achieve a budget-friendly video conferencing solution. Host video conferences or classes with your own software by connecting your laptop to the E-ONE with a USB-C cable. Just one cable for audio, video, power, and touch.

Free software included.

Our interactive displays are powered by i3STUDIO – our **free, pre-installed** software suite which includes: **whiteboard, annotate, wireless presenting, video conferencing.**

i3STUDIO gives you access to your favorite apps and internet browser with just **one touch** on the intuitive interface. With a state-of-the-art OTA (Over-The-Air) platform, you can be sure your device is always up to date with the latest firmware. All of this is included in i3STUDIO with **free updates, forever.**

Full stack for great performance

i3STUDIO is built on completely new and future-proof technical architecture with improved management capabilities including: notification and messaging system, integrated support, and OTA updates.

Go-to apps at your fingertips

The apps you rely on daily are available on i3STORE. Using the secure environment you can browse, install, update, and keep track of your apps on i3STUDIO. PowerPoint, Word, Zoom, digital signage, and more.

Free lifelong updates

Forever-free automatic updates. No subscription fees, hassle-free updates, and one seamless updating process - all Over-The-Air. You will always use the latest software version even if you bought your device years ago.

i3TOUCH E-ONE

Compatible products & accessories

i3CAMERA PRO

4K video conferencing camera with wide 120° angle, omnidirectional microphone and low light support.

i3CAIR

The i3CAIR Air Quality Sensor can monitor the air quality of your workspace or classroom and trigger alerts when rooms need to be ventilated.

i3RDM

Manage, maintain, and monitor your fleet of interactive displays from anywhere at any time.

Natural Writing.

A natural writing experience is one of our top priorities. Thanks to the zero air gap technology we were able to achieve a pen-to-paper feeling. Of course, we incorporated an eraser and writing side to the pen for convenient, intuitive writing.

Display features

Multi-function button

Define your favorite actions on a hardware button. You can set it to freeze the image, take a screenshot, switch to your preferred video input source and more.

Integrated Speakers

The integrated audio system pumps out loud and full-bodied sound that is capable of filling a whole room.

i3STUDIO

Our interactive displays are pre-installed with i3STUDIO. i3STUDIO delivers everything you need to accomplish your best lesson, pitch, presentation or brainstorming session. Leave the room dazzled.

Multitasking

Supports split-screen mode allowing you to use two apps at the same time on your i3TOUCH E-ONE.

Just one cable

The i3TOUCH E-ONE allows devices with a USB-C connection to be connected to the screen with one cable for image, audio, touch, power (65W) and camera.

Natural Writing

A natural writing experience is one of our top priorities. Thanks to the zero-air gap technology we were able to achieve a pen-to-paper feeling.

Easy Input

Enjoy the freedom of connectivity with the frontal USB-C and HDMI input slots.

Motion and light sensor

The combination of a motion and light sensor will optimize your viewing experience to all lighting conditions and keep energy consumption balanced.
