Write naturally

Thanks to the optical bonding inside the panel, the i3TOUCH PXr is able to achieve a highly natural and precise writing experience.

One cable connection

The i3TOUCH PXr is a future-proof solution that allows the latest devices with a USB-C connection to be connected to the screen with one cable for image, power, touch and audio.

Energy efficient

The eco-friendly design comes with an extremely low power consumption, resulting in a A+ Energy label.

Active pen

The ergonomic pen detects different levels of pressure and automatically activates the writing function in Windows ink supported apps as Microsoft Office 365.

Impress with strong craftsmanship

The ultra-slim bezel and aluminium accents along with the sturdy craftsmanship create a pleasing high-end aesthetic.

Intuitive interface

With the intuitive side menu, you can navigate directly to whiteboarding, presenting and other apps without having to go to the main menu.
